Women of the Pines, a nonprofit organization (501 (c) (3)) Public Charity, consists entirely of volunteers and has been in existence since 1974, celebrated 50 years in 2024 of service to our community. Our mission is to provide support and financial assistance to local non-profit and charitable organizations in building a safe, healthy, educated, and stable community. Our mission is accomplished through the dedication and determined work of our membership. Women of the Pines works in concert with established charities within our county as we look carefully at their financial/mission needs for any given year. Last year, we supported 17 charities that supported the needy in our area. In addition, each year we award one or more student scholarships to Sandhills Community College based on financial need.

Our February 21st fundraising event will feature casino games, games of chance, live shows, music & dancing, food stations, chocolate fountain, dessert table and extraordinary winners' prizes
